

RFS - AL

COMPACT ALARM EXPANSION MODULE

RFS - AL

- GROUP RELAY ALARM OUTPUT
- ISOLATED GROUP LOGIC INPUT
- MODULAR BUSSED INTERCONNECTION
- OPC BASED CONFIGURATION
- BUS POWERED
- INTEGRAL INDICATION

PROELECTRONIC

RFS - AL

INTERCONNECTING
BUS CABLE X 13 CONNECTIONS
Molex europa type/part number

39512163

ARFSFLAT13000

SPECIFICATIONS

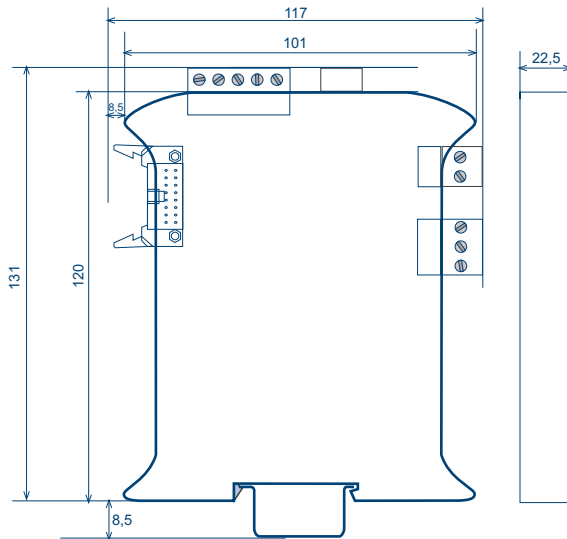

Output

Function: regulating output or alarm
Type: relay with SPST contact
Contact load: 8A @ 250V AC max. on resistive load

Logic Input

Function: selection of the operative set point (SP or SP2) or of the temporary block of the execution of the ramp on the set point
Type: dry contact
excitation 8V, 8mA
Insulation: functional insulation
Insulation voltage: 50Vrms.
